It is normally impossible for all requested Mass intentions to be included in a parish Mass. There are only so many Masses in a week. But Mass intention requests are not turned away. Those which cannot be included at the parish are sent to the missions. You won't know what priest will say the Mass or when, but every Mass intention is honored.

*The stipend for a Mass intention, as determined by Diocesan policy, is \$10.
However, no one will be denied an intention because of inability to pay. Circle this line if unable to pay.*
